This is the herd owned by I. J. Albright and family. Doris, Bonnie, and Lauradale Albright have kept this herd in the peak of production. Last year a 100% calf crop was raised. Many county fair and State fair show animals have been produced and exhibited from this herd. The cows are all of the middle of the road modern day type and excellent pedigrees. Eleven heifers and one bull selling are sired by Acadia Sportsman 11th, an outstanding son of Calrossie Sportsman. Twelve of the good cows are sired by Watt Acres Marquis, a top son of Watt Acres Prince.

This herd is far above average in quality. It has been rigidly culled through the years and only the best producers have been retained. The cattle sell tested for T. B. and Bangs.

For further cattle information contact the owners, or, write Ned W. Place, Auctioneer and Sale Manager, Wapakoneta, Ohio.
